

Allegiant Air Refund policy

Allegiant Air's refund policy **+1-855-353-6253 (USA)+44-808-196-8680(UK)** is designed to provide clarity for travelers while maintaining the airline's low-fare structure. Most Allegiant tickets are **non-refundable**, meaning passengers generally cannot **+1-855-353-6253 (USA)+44-808-196-8680(UK)** receive a cash refund after completing their booking. However, there are important exceptions and flexible **+1-855-353-6253 (USA)+44-808-196-8680(UK)** options available.

Travelers who purchase the **Trip Flex** add-on gain the most freedom. With Trip Flex, you can make **one itinerary change without paying change fees**, and in certain cases you may receive **+1-855-353-6253 (USA)+44-808-196-8680(UK)** a **travel credit** instead of losing the ticket value. If you did not purchase Trip Flex, Allegiant still honors the **24-hour refund rule**, allowing **+1-855-353-6253 (USA)+44-808-196-8680(UK)** a full refund if the booking is canceled within 24 hours of purchase and at least 7 days before departure.

If Allegiant cancels your flight or **+1-855-353-6253 (USA)+44-808-196-8680(UK)** makes a significant schedule change, you are eligible for a **full refund** or a **free rebooking** on the next available flight. Refunds are typically issued back to the **original method of payment** or as **Allegiant travel credit**, depending on the fare type. **+1-855-353-6253 (USA)+44-808-196-8680(UK)**
