

Refund policy JetBlue Airways

For quick help or booking assistance, you can contact JetBlue support at **+1-855-353-6253 (USA)** or **+44-808-196-8680 (UK)**.

JetBlue Airways offers a flexible and customer-friendly refund policy depending on the fare type purchased. Most **Blue, Blue Plus, Blue Extra, and Mint** fares are **refundable only if canceled within 24 hours of booking**, provided the flight is at least 7 days away. After this period, these fares usually become **non-refundable**, but travelers can still receive the value as a **JetBlue travel credit** for future use.

Passengers who purchase **refundable fares** are eligible for a full refund back to their original form of payment at any time before departure. If JetBlue cancels or significantly delays your flight, you are automatically entitled to a **full refund or a free rebooking** on the next available flight.
